

## First announcement of ConRad 2017

Dear Madam,

Dear Sir,

**The Bundeswehr Institute of Radiobiology affiliated to the University of Ulm will be hosting ConRad 2017, Global Conference on Radiation Topics - Preparedness, Response, Protection and Research" (22<sup>nd</sup> Nuclear Medical Defence Conference) from Monday 8<sup>th</sup> to Thursday 11<sup>th</sup> of May 2017 in Munich, Germany.**

**Mon 8<sup>th</sup>: Arrival and Icebreaker, Tue 9<sup>th</sup> – Thu 11<sup>th</sup>: Conference!**

This biennial conference brings together a broad spectrum of German and international experts (civilian/military) and provides a forum for professional and multidisciplinary exchange of experience and expertise in this particular domain of radiation sciences. Please feel free to distribute this invitation to any of your colleagues who might be interested in attending.

As in 2015 there will be two key sessions introduced with a brief overview followed by several key lectures: The first one will give an update on the concept of "*Biomarker of exposure and bioindicator of effect*". The second key session will summarize and update the current knowledge of the "*Effects of electromagnetic fields*".

The conference will also provide an update in the fields of radiation protection, radiation accident medical management and radiobiology/radiation physics.

There is the possibility for free presentations and posters. Abstracts are welcome and can be submitted starting **mid-September 2016!** A scientific committee will be established and evaluate all abstracts for suitability and quality. Please note, deadline for all online abstract submissions will be **November, 30th 2016.**

The official conference language is English. Simultaneous German-English translation will be provided.

Approval of CME (Continuing Medical Education) credit points has been applied for at the Medical Association of Bavaria.

Accommodation will be available for participants at the Bundeswehr Medical Academy from **Monday 8th May to Thursday 11th, 2017. Only limited rooms will be available from Sunday 7<sup>th</sup> to Friday 12<sup>th</sup>. Please note: Military accommodation is not free any longer.** It will be charged with about 10.00 € per night (without breakfast) for civilian attendees not being employees of armed forces/military. Further details will be given on the conference homepage as soon as possible. Since the Military Medical Academy has a limited number of rooms, please let us know as early as possible if you require accommodation. Additionally, a contingent of hotel rooms, centrally located in Munich, is reserved to be booked on your own expenses (for details please refer to our homepage). The social evening of the conference will be held on Tuesday, May 9<sup>th</sup> 2016.

You will find detailed information, a continuously updated program and the online registration form at our homepage [www.radiation-medicine.de](http://www.radiation-medicine.de). Online registration will be open by the **end of September 2016 (registration deadline March, 15<sup>th</sup>, 2017)**.

Please read our data protection statement on the registration form and help us to keep your personal contact data up to date and accurate. We kindly ask you to report any information that is inaccurate or no longer applicable!

We are looking forward to meeting you or your representative(s) at *ConRad* 2017 next May in Munich. Please do not hesitate to contact us if you need more information.

With kind regards we remain,

Sincerely yours,

PD. Dr. Port  
Colonel (MC) and Director  
Bundeswehr Institute of Radiobiology  
affiliated to the University of Ulm  
Conference Chairperson

Dr. Beinke  
Conference Secretary
