

Dear Sir or Madam,

the Bundeswehr Institute of Radiobiology affiliated to the University of Ulm will be holding the **20<sup>th</sup> Nuclear Medical Defence Conference from Monday 13<sup>th</sup> to Thursday 16<sup>th</sup> of May 2013 in Munich**. For the first time the conference will be presented under a new name, **“ConRad - Global Conference on Radiation Topics - Preparedness, Response, Protection and Research”**, taking into account the particular opportunity at this event to bring together such a broad spectrum of German and international experts, civilian and military, a forum for professional and multidisciplinary exchange of experience and expertise in this particular domain. Please feel free to distribute this invitation to any of your colleagues who might be interested in attending.

New insights in the fields of radiation accident preparedness, management and response and radiation protection as well as new research findings in radiation medicine, radiation epidemiology and radiobiology/radiation physics will be the key topics of our diversified program.

There is the possibility for free presentations and posters. Submissions of abstracts are welcome! A scientific committee has been established in order to check all abstracts according to quality. Please note, deadline for all online abstract submissions will be **November, 30th 2013.**

The official conference language will be English. It is well established that simultaneous German-English translation will be provided.

Approval of CME (Continuing Medical Education) credit points has been applied for at the Medical Association of Bavaria.

Free accommodation will be available for you at the Bundeswehr Medical Academy from **May 13th to 16th, 2013.** Since the Military Medical Academy has a limited number of rooms, please let us know as early as possible if you require accommodation. Additionally, a contingent of hotel rooms, centrally located in Munich, is reserved to be booked on your own costs (for details please refer to our homepage). This year's social evening will be held on Tuesday, May 14<sup>th</sup>.

You can find detailed information, an updated program and the online registration form at our homepage <http://events.bsbb.de/event/conrad/Home.html>. Online registration will be open by the **end of August 2012 (registration deadline March, 15<sup>th</sup>, 2013).**

Please read our data protection statement on the registration form and help us to keep your personal contact data up to date and accurate. We kindly ask you to change any information that is inaccurate or no longer applicable.

We are looking forward to meeting you or your representative(s) at ConRad 2013 next May in Munich. Please do not hesitate to contact us if more information is required.

With kind regards we remain,

sincerely yours,

Prof. Dr. Meineke  
Colonel (MC) and Director  
Bundeswehr Institute of Radiobiology  
affiliated to the University of Ulm  
Conference Chairperson

Dr. Beinke  
Conference Secretary
